

FLUIDIGM® and

Imaging Mass Cytometry™ (IMC™) How to get started?

TUESDAY 9 MARCH, 10:00 CET

A LIVE WEBINAR FROM FLUIDIGM

[REGISTER NOW](#)

Hyperion™ Imaging System

In this webinar, we will provide the following:

- Technology introduction
- Basics of sample preparation
- Panel design and staining optimization
- Antibody conjugation and validation
- Data analysis overview

Presented by:

Dr. Marc Reudelsterz, Field Application Specialist (Fluidigm)

1 TO 1 MEETINGS

Marc will be available to speak to you virtually on a 1 to 1 basis from 13:00 on this Tuesday. This is a chance to discuss your projects and ideas in more detail and to find out how Fluidigm solutions can enhance your work.
